GANGA

Redefining Bathing Experience

A JEWEL FOR YOUR

BATHROOM

www.gangabathfittings.com

W.E.F. 1st May. 2024

Vision

To be a leading name in the Indian engineering polymer segment by manufacturing world class products that offer delight to the customers and maximise bottom line for all our stakeholders.

Mission

To bring innovative solutions in Indian engineering polymer segment using the latest technology which benefits the customers and society, thus creating a profitable growth.

Values

Ethical Standards:

We conduct our business in an ethical manner and act as a good corporate citizen in all areas in which we operate.

Commitment to quality:

We use the latest technology and have a very robust quality policy to ensure the highest quality products are delivered to our customer.

Customer First:

We offer quality products at best prices thus creating a valuable proposition for our customers. All our products come with necessary warranty and we provide post purchase assistance and maintenance to all our customers.

Best People:

We deploy best people in our organisation so that they can design best product suited to your needs. Our staff is well equipped to delight the customers.

Respect:

We respect & appreciate all individuals and cultural identities. We embrace the differences. We ensure harmonious working environment for all our employees.

Ownership:

We believe in accepting responsibility and ownership while embracing common goals, teamwork and collaborative decision making.

Quality Policy:

Continuous improvement for customer delight is the pillar of our quality policy. We at **Ganga Plast Industries LLP** have a robust quality policy which continuously strives to be better than our last best by having manufacturing process to achieve zero-defect products.

- Timely dispatch.
- Effective communication with customers.
- Achievening employee satisfaction at all levels through motivation.
