GANGA

Redefining Bathing Experience

Company Introduction

Ganga Bath Fittings Limited (Formally Known As Ganga Plast Industries Limited) is a distinguished manufacturer specializing in **luxury bathroom fittings**, committed to delivering exceptional quality and design. With a strong focus on innovation, craftsmanship, and functionality, we produce a wide range of high-end bathware products that elevate the aesthetics and performance of modern bathrooms.

Established with the vision to blend elegance with engineering excellence, Ganga Bath Fittings Limited(Formally Known As Ganga Plast Industries Limited) has grown into a trusted name in the bathware industry. Our offerings include designer faucets, showers, mixers, and accessories—each crafted using advanced manufacturing technology and premium-grade materials.

About Us

Founded with a vision to redefine elegance in modern bathrooms, **Ganga Bath Fittings Limited**(Formally Known As Ganga Plast Industries Limited) is a premier manufacturer of **luxury bathroom fittings**. With a deep-rooted commitment to quality, innovation, and design excellence, we have positioned ourselves as a trusted name in the premium bathware industry.

Our brand stands for timeless design, superior craftsmanship, and enduring performance. Every product we create reflects our passion for detail and our commitment to delivering luxury that enhances everyday life.

Vision

To be a global leader in luxury bathroom fittings, setting new benchmarks for design, durability, and sustainability.

Mission

- To manufacture world-class bath fittings that combine style with functionality.
- To constantly innovate and evolve with changing design trends.
- To ensure customer satisfaction through uncompromising quality and service.

Our Products

We offer a wide range of luxury bath fittings that cater to residential, commercial, and hospitality sectors:

- Designer Faucets
- Rain Showers & Hand Showers
- Basin Mixers
- Wall Mixers
- Concealed & Exposed Bath Systems
- Concealed Cisterns & Sanitary ware
- Advance Flushing System
- PTMT Items
- S.S. Showers & S.S.Channel Drainers & S.S.Floor Trap

Each product is manufactured using advanced technology and premium-grade materials to ensure elegance, longevity, and eco-friendliness.

GANGA
Redefining Bathing Experience

Quarter Turn Fitting :

We use the top-class Ceramic Cartridge in the world, which is with find quality for unvarying using with quality guaranteed through 100% Water tightness tested under water pressure. The rigidity of the cartridge are high, Even under using condition with unstable water pressure, performancing life 5,00,000 operating times are guaranteed.

All the metal parts of the internal cartridge, are made of extruded brass rod ensuring flawless performance for a longer period.

Features :

- Standard : 1/2", 3/4" and different length
- Main Material : Brass
- Ceramic Material : Al20397%
- Water Pressure : 0.4 Mpa.

Specially designed Ceramic Disc Cartridge of 47mm dia ensures 15-20% increase in water flow even at low pressure.

Features :

- Maximum Opening Angle : 25°
- Maximum Rotating Angle : 100°
- Tightening Torque of Nut : 8-12 N-m
- Temperature of Cold Water : 10°C
- Temperature of Hot Water : 75°C
- water Pressure : 0.3 Mpa.

Specially designed for new shape. It have a good water delivery at any pressure, good handling and working as well, Still after many years.

Installation of Cartridge :

- Maximum Hot Water Temperature 80°C
- Maximum Cold Water Temperature 10°C
- Water Pressure Minimum 0.1 bar, Maximum : 10 bar

Ceramic Disc Specification :

- 95% Alumina | 75-85 Hardness R45N | 0% OpenPorosity
- Operating Temperature is 5°C to 80°C
- Internal part of cartridge along with housing ofextruded forged brass.
- Uniform Water Passage is as per standard specification.
- For all range free of cost after sales services is provided by the company for 7 years for company fault only.
- Ganga use world class quality NEOPERL-Aerator for best water flow.

QUALITY DETAILS

GANGA
Redefining Bathing Experience

Quality Policy :

Ganga is committed for achieving "Total Customer Satisfaction" Through.

1. Consistently supplying quality products to our valued customers in time.
2. Continually improving the quality standards by implementing process control and prevention techniques.
3. Improving manufacturing facilities.
4. Complying with government and Safety regulations.
5. Continually improve the effectiveness of quality management system.

Quality Objective :

1. Consistently reduce the customer complaints.
2. Consistently reduce the cost of product manufacturing.
3. Consistently reduce rejection, rework and process variations.
4. Improve product and process performance.

Nickel Chromium Thickness :

Particulars	As per Standard	Ganga Products
Nickel 10 Micron	10 to Micron	13 to 14 Micron
Chromium	0.3 Micron	0.3 to 0.7 Micron

General Instructions & Maintenance Guide for Customers

Thank You for Choosing Ganga Bath Fittings

We appreciate your trust in **GANGA BATH FITTINGS LIMITED**(Formally Known As Ganga Plast Industries Limited). Our products are designed for long-lasting performance, elegant aesthetics, and user comfort. To ensure optimal functionality and extended product life, please follow the general guidelines and maintenance tips below.

- Buy GANGA products from company's authorized dealers only to ensure genuine quality material.
- Insist on genuine spares from company's local service center or its authorized stockist in case of repair or replacement.
- Please strictly follow the instructions manual whenever provided for individual items in their packing boxes for their correct installation & maintenance.
- For any type of technical or service assistance, please contact the nearest GANGA branch office, area representative or dealer.

Installation Instructions

- Always have your bath fittings installed by a licensed plumber to ensure proper function and avoid damage.
- Ensure your water supply pressure is within the recommended range:
    - Minimum: 0.5 Bar
    - Maximum: 5 Bar

  Excess pressure can damage internal components.
- Use 25mm pipes rather than 20mm to ensure better water flow and to overcome reduction in dia of pipeline due to scaling inside the pipeline.
- Keep the minimum number of bends in the pipelines and make it travel straight and vertical as far as possible.
- All the supply must have vent pipes. These vent pipes help in removing air-locking in the water supply to give a flow of water from the fittings.
- Test the working of all the concealed fittings installed on a high pressure for leakage before plastering or fixing the line.
- Place the outlet point in the overhead tank at least 25feet to 30feet above the ground level of the tank. This prevents the flow of foreign particles, sand etc., along with water supply into the fittings and thereby preventing the possible damage to the working parts. Clean the tank thoroughly before the supply starts. It is suggested that the overhead tank must be cleaned at regular interval to avoid deposition of foreign particles.
- To protect the fine finish of fittings from dirt stains and other damages, cover them with cloth/polypack after their installation till they come into actual use.
- It is suggested that centre to center distance for hot & cold inter for all types of wall mounted mixers should be maintained at 165mm in which case any of our wall mixers from different ranges can be easily installed without any problem.
- Use Appropriate Tools

  Avoid using heavy or sharp tools directly on the product's surface to prevent scratches or deformation.

Cleaning & Maintenance Tips

- Wipe the surface with a soft cloth and mild soap solution weekly to keep it shiny and clean.
- Do not use acids, bleach, or abrasive cleaning agents. These can damage the finish and internal components.
- Avoid using metal scrubbers or rough materials that can scratch chrome or stainless steel surfaces.
- Check for Drips or Leaks, If you notice dripping taps or showerheads, have them checked promptly to prevent water wastage and internal wear.
- Clean the aerators provided in the items at regular intervals for a perfect foam flow of water from the fittings.

WARRANTY TERMS & CONDITIONS

GANGA
Redefining Bathing Experience

PRODUCTS	WARRANTY PERIOD	COMMERCIAL USE
Ganga Faucets(c.p. products & pvd coated items)	10 Years	3 Years
Thermostatic diverter	1 Year	1 Year
Sensor faucets and other commercial products	1 Year	1 Year
Sensor, Electronic Circuits and Electrical Assemble	1 Year	1 Year
Battery for Sensor Faucets	Null	Null
Showers & Health Faucets	1 Year	Null

(*Commercial Terms apply to Hotels, Restaurants, Resorts, Hospitals, Offices/Factories, Party Halls, Cinema Theatres, Educational Institutions, Gyms/Playgrounds, or any such equivalent properties)

- The product is warranted by Ganga Bath Fittings Limited(Formally Known As Ganga Plast Industries Limited) to be free of defects in material and workmanship for a period of 10 years from the Manufacturing date / Up To 6 Month From Manufacturing Date. during this period and under normal use, if the product is found to be of faulty manufacture, the same will be repaired or replaced upon proof of purchase, at our option, without charge either for part or labour.
- The warranty will be void and not valid, and Ganga Bath Fittings Limited(Formally Known As Ganga Plast Industries Limited) will have no liability if The product is not installed, operated and serviced in compliance with instructions and recommendations of Ganga Bath Fittings Limited(Formally Known As Ganga Plast Industries Limited) for trouble free fittings.
- PRODUCTS are not covered when not in use for a long period, or washrooms are closed for a long period without air circulation, thus spoiling external & internal parts.
- Modifications, repairs or service are made to the product, nature of the product/logo has been altered, defaced or removed, or the warranty card has been altered.
- Problems arising from normal wear and tear, improper maintenance or improper use/application of product or components of the same or use of poor/bad quality of water.
- To ensure long-lasting performance and prevent internal damage to bath fittings, please maintain the following water quality standards:

TDS (Total Dissolved Solids) should be below 250 mg/L
Chlorine levels should be below 250 mg/L

High levels of TDS or chlorine can lead to corrosion, scaling, and reduced product lifespan, and may void the warranty if damage occurs due to poor water quality.

- Chrome finishes on our products are warranted against peeling, blistering, or corrosion due to manufacturing defects for a period of 10 years under normal residential use. To maintain the finish, customers must follow proper cleaning guidelines using mild soap and water. Damage due to abrasive cleaners or harsh chemicals is not covered.

NOT COVERED IN WARRANTY:

- Damage due to falling of building materials, improper care, poor maintenance, foul odour, contaminated air or usage of harsh chemicals & cleaning agents, unfavourable environmental condition in areas where WATER-FIXTURES are installed or exposed to radiation will cause pitting, blackening & damage to Plated Parts.
- The product has been installed and operated outside its designated plumbing conditions and parameters.
- Cleaning/ service of Aerators, Water Nozzles, Shower Nozzles, Spray Plates or External Plated/Coated Parts.
- Warranty is not Applicable in Breakages & Damages.
- Normal wear and tear (e.g., scratches, fading over time)
- Natural wear and tear (aerators, washers, rubber seals, O-rings, etc.)
- This warranty does not cover damage to the chrome finish caused by improper cleaning practices, exposure to harsh chemicals (Acid, Phynile, Harpic, vinegar, etc...), or use of abrasive materials. Discoloration, scratches, or wear caused by misuse or poor water quality (e.g., hard water or high chlorine content) are also excluded.

How to Claim Warranty

To make a warranty claim, please follow these steps:

1. Contact our Customer Support Team via:
   Phone: [76000 58000]
   Email: [customercare@gangabathfittings.com]
   Service Hours: Monday to Saturday, 10 AM to 7 PM

2. Provide the following information:
   Proof of purchase (invoice/bill/warranty card)
   Product details (model number, date of purchase)
   Description and photos of the issue

Our service team will inspect and assess the product. If the claim is approved, the necessary action will be taken as per the warranty terms.

Warranty Terms – Total 10 Years

GANGA BATH FITTINGS LIMITED (Formally Known As Ganga Plast Industries Limited) stands by the quality and reliability of every product we manufacture. We offer a comprehensive 10-year warranty structured as follows:

First 7 Years – Warranty

- Covers both parts and service.
- Applies to any manufacturing defect or functional failure under normal usage.
- Free replacement of faulty components and free service during this period.

Next 3 Years – Service Warranty Only

- Covers Plumber service only. (Parts Will Be Not Cover After 7 Year)
- Our technicians will provide service and repairs Product at free of labour charges.
- Replacement parts, if needed, will be charged as per actual cost.

Note: This Terms of Warranty Will Be Applicable After The Purchase From 1st June 2025.

CAUTION:

- Improper/ poor drainage or poor gas exhaust vent will retain harsh odours/ chemical clouds.
- Also, use of harsh cleaning chemicals/ harsh phenyls in bathrooms with poor ventilation, will lead to formation of black spots or blackening of plated parts of WATER-FIXTURES or other metallic objects in bathrooms.
- Replacement of parts under warranty does not renew or extend the original warranty period.

SERVICE LIMITATIONS:

- Ganga Bath Fittings Limited(Formally Known As Ganga Plast Industries Limited) Service Providers will not be responsible & will not be able to provide service/ carry out repairs in case of inability to approach Main Water Valves or shut down water supply in the said bathroom/ washroom.
- Company will provide service/ repairs within reasonable time. However, for reasons beyond control, like unavailability of Service Technicians, spares or special tools required for service/ repair or any other reasons, Company shall not be responsible or be liable for any claim or compensation for the same.
- In case of replacement of Product/ Assemblies/ Parts, Company reserves the right to alter/ change product design/ material in view of improvements without prior notice & without any prejudice as per Product/ Parts in production or as per availability.

NOTE:

- This warranty is valid only within the country of original purchase and is non-transferable. Ganga Bath Fittings Limited (Formally Known As Ganga Plast Industries Limited) reserves the right to make the final decision on warranty claims.
- In Case of any Dispute, this Warranty is Subject to Jurisdiction of Rajkot Courts Only.
